

Prove your skills.
Build your future.

Demonstrate your advanced technical competence at designing and building solutions by earning the **Microsoft Certified Solutions Developer (MCSD)** certification. This certification extends your skills beyond traditional platform boundaries and ensures the essential skills necessary to develop robust applications that run across the devices your customers use every day.

To earn the **MCSD: Windows Metro Style Apps—HTML5** certification, pass these exams:

Exam 480: Programming in HTML5 with JavaScript and CSS3

Exam 481: Essentials of Developing Windows Metro Style Apps using HTML5/JavaScript

Exam 482: Advanced Metro Style App Development using HTML5 and JavaScript
